COMMUNICATION

Sir:

A Corrected Notice of Allowance and Fee(s) Due, the original of which is attached hereto, was mailed to our office on January 7, 2005, for the above-identified application. After extensively checking our docketing system has been determined that the Notice was again mailed to us **incorrectly**. The undersigned is not attorney of record in this case.

Attached to this Communication is a first Communication filed in the US Patent Office on April 26, 2004, returning the originally mailed Notice of Allowance. It was indicated at that time the application was mailed to our firm **incorrectly**.

After further reviewing the PAIR system of the USPTO, it has been determined that the attorney of record should remain Blakely, Sokoloff, Taylor & Zafman, LLP as indicated on the original application Transmittal document (copy printed from PAIR system enclosed). It is also further noted that a Notice of Change of Firm Name and Address was filed on September 30, 2002 (copy printed from PAIR system). The Change of Address, filed by our office, was filed with the incorrect serial number. The serial number indicated on the Change of Address was 09/661,899. In fact, the correct serial number for the change of address of the document should have been

identified is 08/661,899.

Therefore, it is respectfully requested that our customer number and address be removed from the case record and the Notice of Allowance and Issue Fee due be remailed to the correct attorneys of record for this application which are indicated as Blakely, Sokoloff, Taylor & Zafman by the original application transmittal document.

Respectfully submitted,

DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 6/26/02 has been entered.

Drawings

2. The formal drawings filed on 10/7/02 were not attached matched with the application file. New formal drawings are required base on the objection in the draftperson's drawing review in Paper no. 6.

The first packaging material comprises a first microelectronic package core and a first encapsulation material, wherein the encapsulation material has a portion that is on the back surface of the first die assembly. The second die assembly including
